Comment: [REDACTED] most of the NCOs of 25X1X
 22d Tank Brig (Cadre) and of the 16th Inf Bn (Cadre) who had
 signed up for an extended term of service, would be trans-
 ferred to other units.

Comment: The mentioned units, their Utvar numbers and
 some of their officers have been known to be located in DEDICE.
 The "16th Inf Bn" is actually the 16th SMG Bn which is a
 component unit of the 22d Tank Brig. The information that
 both the "16th Inf Bn" and the "22d Tank Brig" were only cadre
 units is new and therefore needs confirmation. The 22d
 Tank Brig was, in August 1948, reported to have three tank
 battalions and one replacement battalion.
